DEDICATION

THE CLASS OF 1943 Dedicates this book to all Keyser High School graduates and former students who have served or are now serving in the armed forces of our country, and particularly to the first three former high school boys who have so gloriously sacrificed their lives or liberty for the preservation of our country and the ideals which it represents. Based on a report from the United States Navy, these three became casualties in this manner:

Claude Daily Dawson, Fireman Second Class, U. S. Navy, killed in action on May 8, 1942, while attached to the U. S. S. Yorktown while it participated in the engagement in the Coral Sea.

Antonia James Mercuri, Radioman Third Class, U. S. Navy, aboard the U. S. S. Asheville, lost at sea, March 3, 1942, south of Java.

Arthur Kuykendall, Staff Sergeant, United States Army, interned in the Philippines, January 13, 1942.

OUR APPRECIATION

THE MOTHERS Of the three gallant boys to whom this yearbook is dedicated have each written a letter to the staff and sponsor, expressing their gratitude and graciously portraying their precious motherly interest. We, who are responsible for the book, are appreciative.

Mrs. Robert E. Kuykendall says: "I am very sure Arthur will be pleased to know that he is one to whom the Keyhisco is dedicated, if he ever gets back to know about it. We can only hope and pray he may be returned to us."

Mrs. Carmelia Mercuri says: "Words cannot express the appreciation I feel, knowing you are dedicating the Keyhisco to my son Tony, and to the other boys who gave their lives in the service of their country."

Says Mrs. Charles Dawson: "I am sure Claude would be pleased about it if he could be here with us again."

TOUJOURS PRET TRI-HI-Y CLUB

Under the sponsorship of Miss McGuffie the Toujours Pret Tri-Hi-Y Club has proved very successful this year.

A great interest was taken in the summer camp that was held at the K of P Camp grounds for the past two years. The girls themselves started the camp with the help of Mrs. J. D. Steadman and Miss McGuffie. The past year Miss McGuffie couldn't be there but Mrs. Steadman and Mrs. Virgil Hull chaperoned the girls. Both years were more than successful and enjoyed to the fullest extent.

Several girls of the club attended the State Hi-Y camp last summer and hope to return again this year.

An underprivileged child was sent to camp last summer with all expenses paid. Several dances were held in the high school gym to raise money for the club. The meetings were held every second Tuesday at the homes of the members and refreshments were served. Other meetings were held at the school. The girls of the club and Miss McGuffie attended church once a month. Different churches were attended each time.

The Tri-Hi-Y Club is a christian club known nationally and has done much to extend Christianity throughout the schools.

Head Cheerleader Skeeter Ashby
Senior Cheerleader Bette Tyler
Junior Cheerleader Rita Siever
Sophomore Cheerleader . Charmaine Johnson

THE KEYSER High School Cheerleaders attended most of the football and basketball games of the past seasons, but due to transportation difficulties several games were missed.

Many new yells were added to the K. H. S. collection this year and all four Cheerleaders were well-known for their splendid sportsmanship and leadership and for their ability to spread both these throughout the school.

At the close of the season "Ks" were given to Skeeter Ashby, Bette Tyler and Charmaine Johnson. Rita Siever was given a certificate.

The Head Cheerleader, who won't be leading cheers next year and who will be missed by all, leaves these last words to the oncoming cheerleaders: "Keep 'em Cheering!"

THE KNIGHTS OF SCIENCE

COLORS: Green and Silver

MOTTO: De Nihilo Nihil, in Nihilum Nil Posse Reverti

WATCHWORD: In-La-Sci

Member of S. C. A.

The Knights of Science had its beginning in Keyser High School in 1939. The Club is affiliated with Science Clubs of America, sponsored by Science Service, the institution for the popularization of science. The local group is one of thousands belonging to the national body. Clubs in every state, foreign countries and possessions are affiliated and all carry out programs of study in science.

The object of the club is three-fold; primarily, it is to give a general review of the relation that exists between science and everyday life. The second aim is to increase our knowledge in science. The third aim is to familiarize its members with the principles of parliamentary law.

The amateurs have their laboratories and workshops in cellars and attics. Excursions and field trips are not forgotten. Club projects such as mounting, collecting, building a club library and even victory gardens have found a field of interest to the members.

The club not only made the study of science more interesting, but it also undoubtedly has united its members and developed a higher type of school spirit.

THE LANGUAGE CLUB

This club, under the leadership of Miss McGuffie was formed last year by members of the French Club and the new Spanish students.

The Language Club holds its meetings every other Monday night at the homes of its members. At the meetings Spanish and French history, geography and customs are discussed.

It is the yearly custom of this club to give a Christmas party for underprivileged children of the first, second and third grades. This was carried out again this year and proved to be a success.

In the fall the club sponsored a school dance in order to raise funds for this party.

As a whole the work of the Language Club this year has been very successful.

ALPHA TRI-HI-Y CLUB

The Alpha Tri-Hi-Y Club is a branch of the West Virginia State Y. M. C. A., thus making it a Christian organization as well as a social club.

The Tri-Hi-Y Club has a three-fold purpose: the all-'round development of its members in Spirit, Mind and Body, and it serves the three main training agencies, Home, Church and School.

In the past year the Alpha Tri-Hi-Y has accomplished many things. One Sunday of each month, the Club attended one of the churches of town. Several dances and skating parties have been sponsored. Tags were sold by the club as a booster for the Office of Civilian Defense.

Several of the members attended the State Hi-Y camp at Parsons this summer and made an excellent showing there and most hope to return again this year if possible.

SENIOR CLASS SONGS

By LOUISE SHORES and ISABELL SMITH

(Tune: "The Army Air Corps Song")

Marching from—dear old Keyser High School;
Going far into the world—
Here we go—zooming to meet our future;
How we worked—few only shirked!
Senior Class—dreaming of things to conquer—
Give us time—you wait and see—
With colors high we carry on—hay!
Nothing can stop the Senior Class now!

Here's a toast—to the teachers—of those
Who love the progress of the world—
To the Class of '44 we wish for you to carry on.
We leave to those who gave their all of old—
Then up we rise—to reach the future's pot of gold;
A toast to the leaders—we leave behind
In dear old Keyser High!

Off we go into the wild world yonder—
Keeping our heads—level and true—
If you live to be a gray-haired wonder,
Keep the thought of the old school
Going on—keeping the country's future—
We'll be there—followed by more.
In honor high—we carry on—hay!
Nothing can stop the Senior Class now!

By MARY MINNICH and ELOISE TWIGG

(Tune: "As Time Goes By")

The Senior Class must leave
In order to achieve
The goal for which we strive;
Those fundamental things in life,
So, now, Goodbye!

Our senior day and prom—
Our banquet and our tea—
All go to make a part
Of valued high school memories,
So we say "Thanks!"

We won't forget our dear old Keyser High.
Juniors, farewell! we leave you with a sigh.
Try to fill our place—
On you we will rely
As time goes by.

Some may go on to school;
Some, make essential tools
With which to fight this war,
To make the future safe for others
As time goes by.

History Of The Class Of 1943

In the fall of 1931, our class-to-be, enlisted in the army of education. We were destined to conquest in a dozen engagements; namely, the twelve grades; in order that we, at the end of our struggle, might win a much bigger battle, the battle of life.

This new life we faced was quite strange and difficult, but we had excellent leaders to guide us in our preparation on the crusade of learning. Miss Alma Peters is the only remaining active officer of our first year who helped us to get our ability and achievements in shape so that we might conquer failure.

The first four engagements were not exciting, but in the fifth year, one of our officers started a new course which concerned the study of our home state, West Virginia. Having recorded notes on this subject, we were given a test at the end of the term, and those of us making a passing mark were given badges bearing the state seal.

As time marched on a transfer was made and we were placed in the more advanced camp, Junior High. In the seventh conflict, Auxiliaries Celene Robinson and Louise Shores won the battle in science, for which Major J. W. Stevenson presented them citations in the form of a circus trip. Also we were prepared for the presentation of assembly programs and trained in the new field of literary.

There were several awards presented in the eighth grade to privates and auxiliaries of our company. Private Joe Blundon and Auxiliary Eloise Twigg received Golden Horseshoes and a trip to Charleston for their year's work on the study of West Virginia. The Daughters of the American Revolution presented Auxiliary Betty Heishman with a medal for excellence in American history. The annual awards for the best all-around students were given Private Eugene Hayes and Auxiliary Isabelle Smith by the American Legion.

A new front was opened in the form of literary work during the ninth grade. Private John Huffman, still in the Burlington training camp, and Auxiliary Luetta Rotruck, won second and third places in oration, respectively. The event of greatest importance during the ninth engagement was our being the last ninth grade to graduate from the new high school auditorium.

We marched to the tenth engagement with high spirits and for the first time some of our members were promoted to rank of officers. Those leading us in this fight were Second Lieutenant Arthur Slocum, Sergeant Eugene Shank, and Corporal Simeon Bright. Again a member of our company was honored for oratorical work; this time it was Auxiliary Wanda Wageley, who won the Upper Potomac Literary contest at Petersburg.

During our junior year, we conquered many obstacles. Our class chose blue and white to wave on high. We selected as our leaders—First Lieutenant Don Kiser, Second Lieutenant Fred Lotspeich, Staff Sergeant Elore McDonald, and Corporal Sue Theis. Our first major engagement was the presentation of our annual class play, "The Sunshine Travels," starring Eloise Twigg and Harold Effland and featuring Buzz Slocum, John Huffman, Jinny Lou Sheetz, Rosalie Stanley, Wanda Wageley, Eugene Shank, Simmy Bright, Louise Ashby and Mary Minnich. Frank Shal-

lis was stage manager and Miss Daisy Goldsborough was the director and producer. The majority of our company worked on and made a success of the annual Junior-Senior Prom, a red, white and blue letter affair. Our class sponsors who guided us through this momentous year were: Majors Virginia Lewis, O. E. Marks, Ida Smith and Ethel Boyer.

Time flew fast, and in the fall of 1942 we started upon our twelfth and last battle engagement, the Senior year. Once again several of our company were promoted to commanding officers: Captain Sue Theis, First Lieutenant Simmy Bright, Second Lieutenant Helen Keplinger and Master Sergeant Eugene Shank. The combined forces of the six high school grades selected John Huffman as the supreme commander for the year 1942-'43 and the Student Council. During our last engagement several privates became outstanding in the field of athletics; those being: Harold Effland, Arthur Slocum, Simmy Bright and Lionel Martin. Dick Davie was promoted to Private First Class when he made the sectional basketball team and won honorable mention on the All-State football team. Frank Shallis also won his first stripe for obtaining a position on both sectional and regional basketball teams. He made the conference team and received honorable mention on the A--State team of the same sport.

Our struggle and conquest have been many and we have fought a good fight. Our conflict comes to an end. It is time for us to depart to our various branches outside the Army of Formal Education, never to march together again except in spirit. We will never forget the happy times we had in training camp at Keyser High school as we march on to meet the greater engagements of life.

LOUISE SHORES,

BETTY HEISHMAN.

THE CHORAL CLUB

The Choral Club, though comparatively new in the annals of Keyser High, has proved to be one of the most popular organizations. Prospective members of this musical group were required to pass a voice-range test before gaining admittance to the club. There are approximately twenty members. In order to carry out satisfactory four-part harmony, the girls' section cannot be allowed to top the boys'.

Initiation requirements included the wearing of paint and pigtails, along with Choral Club colors, red, white and blue. In addition, candidates gave out with original, vocal solos before a much amused group of "old" members.

Outstanding activities of the year consisted of the rendition of three-part numbers on assembly and during Commencement Week. Also, the club held a financially enlightening skirt and sweater dance in April.

The chorus is under the direction of Miss Mary E. Douthat, to whom is attributed much credit for its success. Thanks, also, to Mrs. James Goldsworthy, who held down the position of accompanist, on special occasions.

THE GIRLS' CHORUS

The Girls' Chorus was organized the first of October in 1942 under the leadership of Miss Douthat. Since then it has held an important part in the activities of Keyser High School.

The Chorus has taken part in such things as the Christmas assembly and singing for the April meeting of the P. T. A. The chorus also gave an assembly program and took part in the Senior baccalaureate services.

With all the work, some play has been mixed, such as a Christmas party and caroling and play meetings.

Miss Douthat has given much time and work in forming this fine Chorus and thinks it was well worth it.

The Forensic Club under the direction of Miss Daisy Goldsborough, has produced many successful plays for the high school. Two of the plays were "American Passport" and "Sadie Of the U. S. A."

All the money that was made on these plays has been turned over to the high school general fund. Part of it was used to pay for the inter-communication system.

The club consists of twenty-four members. They are:

ONONDAGA 4-H CLUB

The Onondaga Four-H Club got off to a flying start this year, with their brand new sponsor, Coach Bob Kyle.

Preparatory to the new year's work, a county-wide banquet was held in the Home Economics room with the Onondagas playing host. At this time awards were presented in the form of ribbons, designating the value of last year's project.

A laudable task undertaken by the club was that of selling War Bonds and Stamps at a booth constructed for that purpose in the main corridor of Keyser School. To date, this has been successful to the amount of about \$300.

In March when Mr. Kyle entered the service, Miss Helena Borrer undertook the leadership of the club. Miss Borrer is credited with a great deal of previous experience in Four-H work and, thus far, has proved an adept and efficient sponsor.

BASKETBALL '42 - '43

After losing four regulars from last year's Conference championship team, the Tornado Quint of this year proved they could do all right, although Coach Kyle had to build practically a new team. They emerged from the season with fourteen wins and seven losses on the schedule and two wins and one loss in tournament competition. This made the record sixteen victories against eight defeats for a good season.

The only regular back from last season was Frank Shallis; however, Jim Clevenger, Dick Davie, Sam Oglesbee and Simy Bright had considerable experience.

The Tornado really didn't have a first team. Shallis, Davie, Clevenger and Oglesbee started most of the games. Bright, Slocum, Boyce and Effland, however, started a few. As tournament time rolled around Coach Lough had charge of the team. He started Boyce, Davie, Shallis, Oglesbee and Clevenger. This proved a truly fine team.

The Tornado won its first three games from Fort Ashby, Alumni, and Bruce by comparatively large scores, but lost the next one to Allegany by four points, 40-36, after a hard scrap. They won the next two games from Davis and Piedmont. The unusual occurred when two overtime tilts were dropped to Romney and Central, both on the opponents' boards. Still in the slump, the Tornado dropped another game to the Panthers from Parsons. The next two games were won rather easily from Ridgeley and Moorefield for conference advancement. Parsons and LaSalle were next and the Tornado dropped two more games, but didn't give up until they had given a good account of themselves in each contest. Moorefield, Ridgeley, Fort Ashby and Piedmont fell before the Keyser courtmen as expected and the Tornado was rolling again. The next game was with the undefeated LaSalle Explorers of Cumberland. LaSalle had a strong quint but Keyser almost upset the dope bucket, losing by only one point, 23-22. The courtmen of K. H. S. played their best game of the year that night. In the next game they avenged defeat by whipping the W. M. I. L. champions from Lonaconing, to the tune of 29-27. Three nights later the boys met the present conference champs, Romney, and set them down 33-23 to get sweet revenge for the defeat handed them in Romney earlier in the season.

In the Sectional Tourney, Keyser drew Ridgeley and disposed of them rolling up fifty-five points for the second time this season. In the championship game the lads defeated Romney for the second time this season to a tune of 42-33. This gave them a crack at the regional title. In the regional tournament they lost after a hard-fought battle to the fast Kingwood outfit by a score of 41-32.

Counting the tournaments, the Tornado won nine out of their last 11 games, and closed a better-than-average season on the court.

Shallis, Davie and Clevenger were selected for berths on the all-sectional team, and Captain Shallis was honored again by being placed on the all-Regional team.

To Coach Kyle goes much credit for building a truly fine squad. To Coach Lough goes credit for handling the team so well during the last part of the season and the two tournaments, after Coach Kyle had left the team to become a physical director at Athens college.

BASKETBALL PLAYERS OF '42 - '43

CAPTAIN FRANK SHALLIS—Frank has been on the traveling squad for three years and played in two games when he was a freshman. He won letters in his sophomore, junior and senior years. Frank served as the team's able captain in his senior year, after being the only regular back from the Potomac Valley Conference championship team of '41-'42. Frank walked away with the laurels in the sectional and regional tournaments and received honorable mention in the P. V. C. Frank as the first string guard in his senior year was one of the team's heavy scorers.

"DICK" DAVIE—Dick was a regular guard in his senior year after a being one of the ablest subs on the squad during the '41-'42 campaign. Dick's long set shots from mid-court won for him the admiration of many Keyser High School basketball followers. Dick was placed on the all-sectional team this year. Dick's long shots undoubtedly will be missed next season.

"JIM" CLEVENGER—After winning a letter in his sophomore year as a sub, Jim came back to grab a regular berth on the '42-'43 machine and use his talents more often. Jim's height was a big asset to this year's team, as he grabbed most all of the rebounds when the chips were down. Jimmy could also be counted on to score when the points were needed. He was placed on the all-sectional tourney team and was placed at forward on the Potomac Valley Conference all-star team. Jim still has another year to show his talents to K. H. S. basketball rooters. He was also a heavy scorer this season.

SAM OGLESBEE—Although not a heavy scorer, Sam could be counted on to grab many rebounds at both baskets. Sam was always in the thick of the battle. This is Sam's last year to play in high school. He played in one game when he was a Freshman and won letters in the last two years on the squad.

RALPH BOYCE—Ralph performed at Piedmont High School in his Sophomore year, where he was one of the team's mainstays. In his Junior year in K. H. S., he could always be depended upon to be in the game up to his ears despite his size. He didn't win any honors this season, but next year—his Senior year—he should grab his share.

SIMMY BRIGHT—"Simy" won letters in his Junior and Senior years and could always be depended on. As a Junior, he was a first class sub and was in and out of the Tornado line-up all season in his Senior year. "Sim" was one of the hardest players on the squad and by that, caught the eye of more than one Tornado follower. He has been on the traveling squad for three years. "Sim" could also grab rebounds at either basket.

"BUZZ" SLOCUM—Although a Senior this year, "Buzz" came out for basketball with no experience and did very well. He was in the line-up part of the time and out part of the time. His one-handed pivot shots made him a very dependable player. Whenever he played, he had his heart in the game.

HAROLD EFFLAND—"Effie" has been on the traveling squad for three years, and won his letter in his Junior-Senior years. He was in and out of the Tornado line-up all season and could always be counted on to give his best. This is his last year.

WILLARD COMPTON—Will won letters in his Junior and Senior years, and was always willing to give his best whenever called on. With a little more experience, he would have been very dependable.

BOBBY DYE—As a Junior this year, Bob gained much experience that he will be able to use next year as a Senior. He was always willing to do his best. He was a sub this season, but should pull in a regular berth during the '43-'44 season.

OTHERS are Bill Montgomery and Jack Dorsey, Juniors, and Ed Conroy, Sophomore, who should give good accounts of themselves next season.

COACH BOB KYLE—Coach Kyle is a graduate of West Virginia University and coached at Romney for five years before coming to Keyser. He was a very dependable leader. He resigned late in the season to accept a job as physical education instructor for air cadets at Concord College. Much praise goes to Coach Kyle for leading the boys through a most successful season. His desire to instruct the fellows to become men won him praise from the townspeople.

COACH DANA "HORSE" LOUGH—After Coach Kyle resigned, Coach Lough, athletic director at Potomac State, took over the reins at K. H. S. Coach Lough worked hard with the boys in order to get them ready for the sectional tourney. A great deal of praise goes to Coach Lough for piloting them through the tournament successfully.

MANAGERS BOBBY AND MARION DORSEY—These two boys showed the ability of experienced managers and as the first year at the work, did very well in keeping the team's equipment in good condition. Their gestures also helped keep good feelings.

Frank Shallis, Dick Davie, Jim Clevenger, Sam Oglesbee, Ralph Boyce and Harold Effland took part in a post-season game for the benefit of the Red Cross, at Potomac State gym on April 2 with the Scott High passers from Pittsburgh.

BASKETBALL TEAM

FOOTBALL AT K. H. S. IN 1942

On November 18th, one of the worst seasons in the history of football at Keyser high school was brought to a close.

Coach Bob Kyle was late in getting the call out for the boys interested in the grid sport, but after a few days in Keyser, he had them out. The squad was light in some places and heavy in others. The boys lacked experience.

After three weeks of practice, Coach Kyle sent the scrappy Tornado outfit out against the heavier Parsons Panthers. The Keyserites, consequently, met defeat 12-0.

The following week the boys journeyed to Cumberland for a battle with the Campers of Allegany high. Due to the fact that the Marylanders were heavier and had it all over the Kylemen in experience, the lads from K. H. S. put up a good scrap before tasting defeat for the second straight time to the tune of 45-0.

Because of an open date on October 9, and weather conditions a week later, the Kylemen had to wait until October 23rd to play another game. Thomas high was scheduled but dropped the sport and the Golden Tornado met the Alumni eleven instead. After a hard-fought scrap, the boys from K.H.S. lost their third game in a row: Alumni 7; Keyser 0.

The next game of the season was played at Romney. Here the Kylemen were up against a heavy outfit and the defending Conference champions. After a bruising, hard-fought battle, the Tornado gave way to the Romney onslaught. The score of that game was 34-0.

Two weeks later the Keyser gridders took a trip to Moorefield to meet the heavier and more experienced Yellow Jacket eleven. It was in this game that the Keyser gridders took the worst beating in the history of the school, losing to the strong and formidable Moorefield machine to the tune of 60-0.

Next was the second home game of the season. This contest was played with LaSalle of Cumberland. After a hard battle the lads from Cumberland walked off the field with a 24-0 victory.

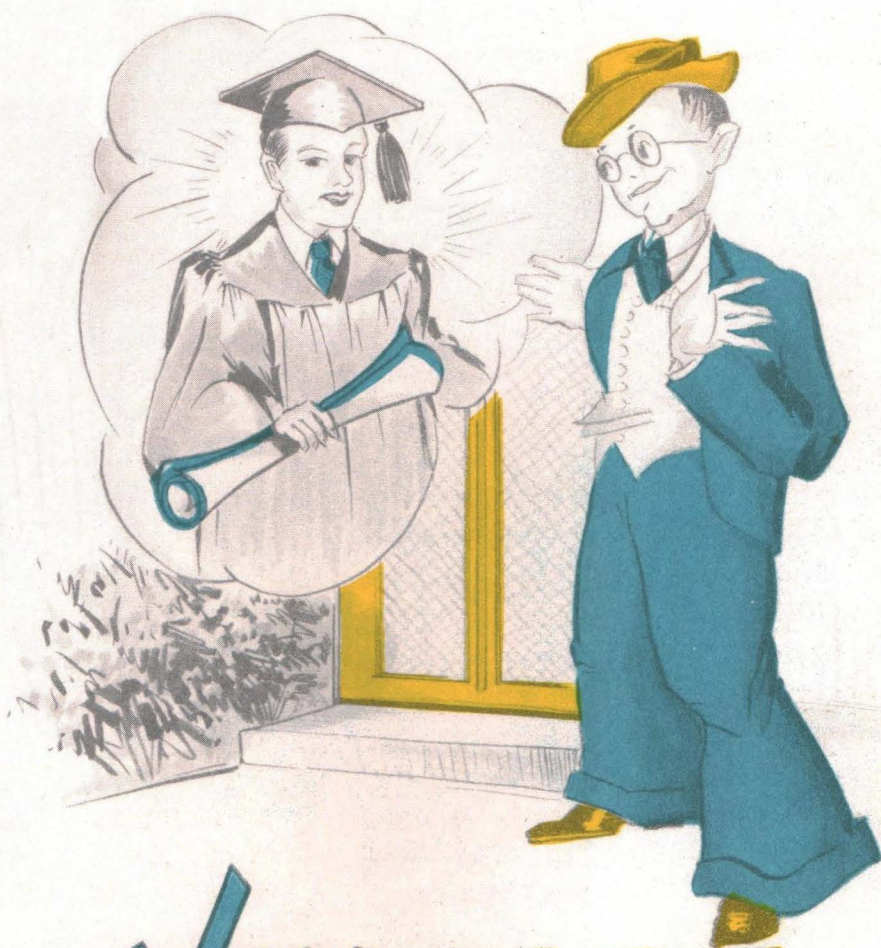

November 18th saw the Golden Tornado close the season with their lone victory—a 13-7 decision over Ridgeley. Both teams played a brilliant game, both offensively and on the defense, before the Keyserites gained the triumph.

The Golden Tornado's grid machine of 1942 might not have been as good as those in years gone by, but the boys tried hard and deserve lots of credit. Captain Dick Davie, who is now in the Navy, was given honorable mention on both the Potomac Valley Conference and State all-star squads.

Those lost by graduation this year are: Davie, Slocum, Naedele, Simone, Martin, Bright and Barrick. Oglesbee will be ineligible, while Charles Hartman, a Junior this year, has been drafted.
